MEMORANDUM FOR: Acting Chief, CFA

SUBJECT : TSS/Engineering Division Burial Program

1. [redacted] of TSS/ED were at your [redacted] on 14-15 March 1955, examining caches placed six months previously. This program is giving actual field test results on a wide variety of burial materials and techniques. A report of this first examination is being prepared, and a copy will be forwarded to you for the Caching Section.
